

Dear Friend,

I have been presented with a wonderful opportunity. As a result of many prayers, a need, a dream, and a desire to be used by God, I have decided to use the ability given me to teach at Sonlight Academy in Haiti.

Sonlight Academy is a Christian school serving the people of Port-de-Paix, Haiti. The Academy began in 1987 and now has more than 300 students enrolled in preschool through twelfth grade. I will be teaching (18 third graders) everyday. I will not only be able to teach these students academic subjects, like math and language, but I will also teach them from the Bible.

In Haiti, needs are evident. People need homes, food, clothing, medical attention, and an education. Most importantly, they need a Savior. Through Sonlight Academy, I will have the opportunity to help meet two of their needs, one being their most desperate, a way of salvation, and the second being an education. I feel that an education in which Jesus Christ is central will affect the entire course of a child's life.

Sonlight's teacher team will leave the United States in August to prepare for the school year. I have made an initial two-year commitment to serve at Sonlight. I want and need you to be a part of this important endeavor with me. I need those willing to pray on a regular basis. I also need financial support. To be able to participate in this ministry, I must raise \$19,800 (\$1,650 per month). I am asking my Christian friends to make a commitment to give \$25, \$50, or \$100 monthly starting this July.

Please pray about your involvement with me in this ministry for God, and respond as soon as possible. I pray that together we may take part in Colossians 1:28, "Teaching everyone with all wisdom, so that we may present everyone perfect before Christ."

For Him,
